

GUTSI GOAL IMPLEMENTATION PLAYBOOK

The GUTSI Goal Implementation Playbook is more than a plan—it's been a Spirit-led journey through ten “P” steps across four transformative phases: Planting, Producing, Pruning, and Prospering. Each phase includes strategic and spiritual steps—ten in total, all beginning with “P”—designed to shape your faith, clarify your purpose, and align your goals with God’s higher calling. The phases and steps are graphically depicted and described below:

THE FOUR PHASES ARE:

Phase I: Planting – Laying the Foundation in Faith & Strategy. Before growth comes preparation. You'll seek God's guidance, clarify your purpose, count the cost, gather support, and build on a strong spiritual foundation. Chapters in this phase include: Prayer, Preparation, Partnerships and Planning.

Phase II: Producing – Taking Action & Walking in Faith. This is where bold obedience begins. You'll move forward step by step, learning to trust God through uncertainty as He shapes you through action. Chapters in this phase include: Power and Performing.

Phase III: Pruning – Refinement, Endurance & Growth. Progress often requires surrender. In this phase, you'll endure resistance, release what no longer serves you, and grow in patience, strength, and faith. Chapters in this phase include: Perseverance and Patience.

Phase IV: Prospering – Fruitfulness, Impact & Praise. This is the harvest. You'll begin to see visible and invisible fruit—transformation, breakthroughs, and impact that only God could produce. Chapters in this phase include: Prevailing and Praise.
